Re: Water Right Application 5634X01 – Project Update

Dear Mr. Zoucha:

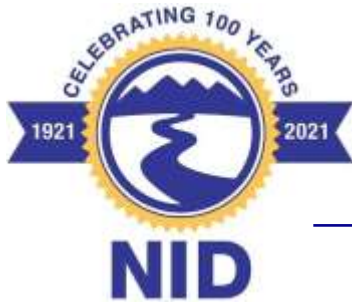

Pursuant to Water Code section 1275 and your acceptance letter of application number 5634X01, this letter is to update you on the Lead Agency's progress in preparing the appropriate environmental document. The Nevada Irrigation District (NID) will be the Lead Agency for this project. There have been no significant changes since the last update.

- Due to COVID-19, no new work related to the DEIR has been done since the last quarterly update.
- AB 52 consultation is ongoing with United Auburn Indian Community, Colfax-Todd's Valley, and Nevada City Rancheria. Due to COVID-19, no consultations have occurred since the last quarterly update.
- Additional documents have been updated/added to the District's new website. The project website address is <https://www.nidwater.com/centennial-water-supply-project>

If you have any questions or need any further assistance, please do not hesitate to contact me at 530-271-6866 or email me at roderick@nidwater.com.

Sincerely,

Doug Roderick, P.E.

Re: Water Right Application 5634X01 – Project Update

Dear Mr. Zoucha:

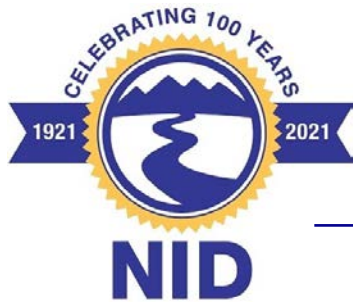

Pursuant to Water Code Section 1275 and your acceptance letter of application number 5634X01, this letter is to update you on the Lead Agency's progress in preparing the appropriate environmental document. The Nevada Irrigation District (NID) will be the Lead Agency for this Project. There have been no significant changes since the last update.

- On August 31, 2020, the SWRCB Administrative Hearing Office convened a status conference on the Application. The Hearing Officer's Status Conference Order requires NID to provide a further Status Report in December 2020, identifying interim milestones for the Project.
- Due to COVID-19, no new work related to the DEIR has been done since the last quarterly update.
- AB 52 consultation is ongoing with United Auburn Indian Community, Colfax-Todd's Valley, and Nevada City Rancheria. Due to COVID-19, no consultations have occurred since the last quarterly update.
- Additional documents have been updated/added to the District's new website. The project website address is <https://www.nidwater.com/centennial-water-supply-project>

If you have any questions or need further assistance, please do not hesitate to contact me at 530-271-6866 or email me at roderick@nidwater.com.

Sincerely,

Doug Roderick, P.E.

Re: Water Right Application 5634X01 – Project Update

Dear Mr. Kehrlein:

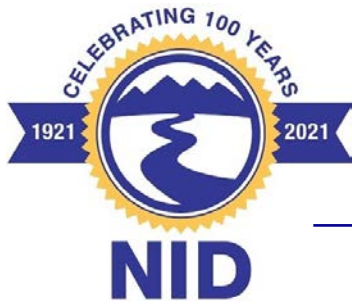

Pursuant to Water Code section 1275 and your acceptance letter of application number 5634X01, this letter is to update you on the Lead Agency's progress in preparing the appropriate environmental document. The Nevada Irrigation District (NID) will be the Lead Agency for this project. There have been no significant changes since the last update.

- On August 31, 2021 the SWRCB Administrative Hearing Office (AHO) convened a status conference on the Application. The Hearing Officer's Status Conference Order requires NID to provide a further Status Report by December 30, 2021 identifying interim milestones for the Project. NID is currently working on that status report. The AHO has scheduled another status conference for January 18, 2022.
- No new work related to the DEIR has been done since the last quarterly update.
- AB 52 consultation is ongoing with United Auburn Indian Community, Colfax-Todd's Valley, and Nevada City Rancheria. Due to COVID-19, no consultations have occurred since the last quarterly update.
- Additional documents have been updated/added to the District's new website. The project website address is <https://www.nidwater.com/centennial-water-supply-project>

If you have any questions or need any further assistance, please do not hesitate to contact me at 530-271-6866 or email me at roderick@nidwater.com.
