DISTRICT SUMMARY

Nevada Irrigation District (“NID”) established Assessment District No. 2008-1 (Rodeo Flat) (the “District”) in 2008. NID issued the Assessment District No. 2008-1 (Rodeo Flat) Limited Obligation Improvement Bonds, (the “Bonds”) to fund certain improvements within the District. The improvements consist of a booster pump station, a future water storage tank, water distribution pipelines (water mains), and related appurtenances, including fire hydrants. The treated water facilities are available to 36 parcels in the District. All parcels will have frontage on one of the water mains and all will have the opportunity to connect to the main. The intent of this project is to provide residential water service to each parcel that can be served by the facilities and to install additional capacity to allow NID to extend the facilities to serve parcels that lie beyond the District boundary.

In addition to the improvements for the District, NID received inquiries from property owners interested in financing the Drop-In Fee and Capacity Charge (the “Connection Fees”). The Connection Fees pay for the treatment plant, storage, pump stations, and water transmission mains that will deliver the treated water to the new distribution lines. To accommodate those wishing to finance the Connection Fees, NID allowed property owners the option to finance the Connection Fees prior to Bond issuance.

The District matures with the final scheduled debt service payment on September 2, 2033.

Levy

The following table provides a summary of the Fiscal Year 2024/25 final levy amount.

Description	Parcel Count	FY 2024/25 Levy
Assessment District No. 2008-1 (Rodeo Flat)	20	\$40,620.70

Funds

NID completed the District’s improvements and closed the Improvement Fund.

After making the September 2, 2024 debt service payment and covering estimated administrative expenses for six months, the Redemption Fund balance has a surplus of approximately \$61,359. The surplus includes funds from three property owners who have prepaid their assessment liens. NID should use the surplus to call bonds ahead of scheduled maturity.

The Special Reserve Fund balance currently meets the Reserve Requirement.

Delinquencies

As of June 30, 2024, The Fiscal Year 2023/24 delinquency rate for the District is 2.76%, totaling \$1,169.37. Please refer to Appendix D for detailed information. NBS will continue to monitor the delinquencies and recommend the appropriate delinquency management actions to the District as needed.
