

Staff Report

for the Regular Meeting of the Board of Directors, October 11, 2017

TO: Board of Directors

FROM: Brian J. Powell, P.E., Maintenance Manager 

DATE: October 4, 2017

SUBJECT: Penn Valley Pipeline Replacement – Phases 1 and 2
Final Asphalt Paving Project
Contract No. M2017-15 / Project No. 1037

MAINTENANCE

RECOMMENDATION: Consider awarding the Penn Valley Pipeline Replacement – Phases 1 and 2 Final Asphalt Paving Project, Contract No. M2017-15 / Project No. 1037, to Simpson & Simpson, Inc. of Newcastle, California, in the amount of \$138,180.00, and authorizing the General Manager to execute the necessary documents.

BACKGROUND: As part of the two year project to replace the undersized and deteriorating water distribution system throughout the Penn Valley community, NID crews recently completed the (a) installation of approximately 8,000 lf of 8-inch, 10-inch and 12-inch water main line and (b) replacement of 62 service lines and 11 new dry barrel fire hydrants.

This resulting trench paving effort will include the installation of a final asphalt patch over both water main and 36 service line trenches, in accordance with the conditions set forth in the Encroachment Permit issued by the County of Nevada for this project.

District Staff solicited bids from five local paving contractors, three of which responded (see attached Bid Results). Bids were publicly opened on October 4, 2017 and Simpson & Simpson, Inc. was the low bidder.

BUDGETARY IMPACT: The cost for the final asphalt paving for this project has been accounted for in the Pipeline Replacement Program, 2017 Engineering Budget.
