

# **Recreation Activities Report**

January 22, 2020 – February 18, 2020

## **Scott's Flat Campground**

### **Projects in Progress or Completed:**

- Tree work continues at the properties on Scotts Flat and Casci Roads
- Winter cleanup continues throughout all the campgrounds
- Prep work has begun with NID's Human Resources Department and Blue Ribbon Temporary Agency for the 2020 temporary hiring
- Recreation maintenance staff installed a permanent floating buoy on a shallow rock near the spillway. The buoy is drilled into the rock so it can no longer float away or be taken away
- Staff met with Biffs Fishin' Mission about their yearly campout April 30<sup>th</sup> – May 4<sup>th</sup>. This will be their 35<sup>th</sup> year with the District
- BONC (Bicyclist of Nevada County) had a trail maintenance day on February 8<sup>th</sup>
- Staff has been working with an Accounting Consultant, Jeff Bixby, both Accounting and Recreation have been able to make several positive changes to how we record and reconcile Recreation revenue

### **Future Projects:**

- Tree work in Gate 2 prior to the start of the season
- Order fire rings
- Painting all the showers
- Continue work on the interior of the Ditch Tenders House

## **Orchard Springs Campground**

### **Projects in Progress or Completed:**

- Completed 10 - 11 acres of masticating work to the right of the campground entry and behind our camp host house; it looks beautiful
- Staff has been working on cleaning up the beach area. This is a problem area every year with the collection of logs and debris

### **Future Projects:**

- Order picnic tables and umbrellas for the store picnic area
- Install a shade structure over the picnic and play area

## **Long Ravine Campground**

### **Projects in Progress or Completed:**

- Water system replacement is still moving forward
- Ordered the balance of the boat slips to replace the old wooden slips
- Recreation staff has been dismantling the old slips in preparation to remove them from the water. NID's maintenance crew will help to remove the slips from the water, February 19<sup>th</sup>
- PG&E has created a large amount of debris with their tree work, NID's Environmental Resources Administrator, Neysa King, is working with them on a plan for cleanup
- Hired new camp hosts, husband-wife team, they start mid-March

### **Future Projects:**

- Restripe the boat launch and overflow parking lots

## **Peninsula Campground**

### **Projects in Progress or Completed:**

- Peninsula is closed for the season effective September 12<sup>th</sup>
- Eight trees hazard trees were taken down by Jensen's Tree Care; they will also be doing work at Scotts Flat Gate 2

### **Future Projects:**

- Having Best Sandblasting work on the showers
- Upgrading the inside of the bathrooms, new paint, flooring, and bathroom fixtures
- Creating a day-use/swim area

## **Upper Division, Jackson Meadows Campground**

### **Projects in Progress or Completed:**

- Jackson Meadows is closed for the winter season
- With the lack of snow, staff has started planning for an early opening
- Staff has been working with the USFS on updating their websites for campgrounds that are in our Special Use Permit; the group prices hadn't been updated since 2014/15

### **Future Projects:**

- Tree work at Sawmill dispersed sites
- Replacing all the campground barriers, this will help with unauthorized parking and crowding within the campgrounds
- Ensuring there are three camp hosts for the 2020 season

## **Combie Reservoir**

### Projects in Progress or Completed:

- All is quiet out at Combie during the winter
- Staff has been working with NID's Encroachment Department, Maryann Bailey, to finish the dock encroachment rules and regulations and dock specs; going to APC in March

### Future Projects:

- Determine and start the clean-up process for all the non-authorized encroachments on Combie and our other reservoirs

## **Greenhorn Campground**

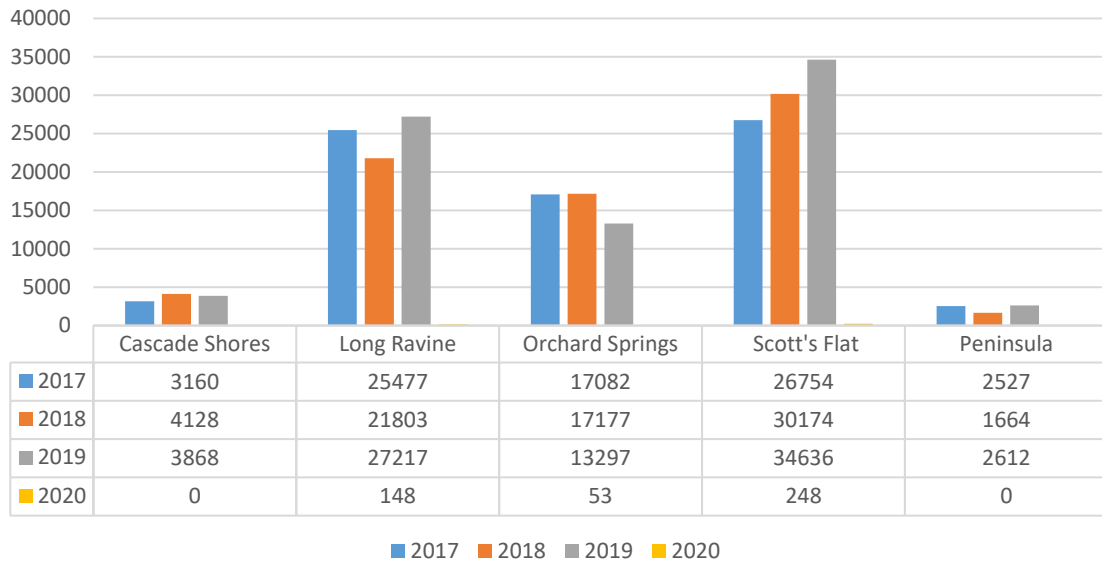

### Projects in Progress or Completed:

- Spoke to Mike Liserra (NID's concessionaire) he and his staff have been working on winter cleanup in preparation for the 2020 season
- For 2020, the Liserra's raised their reservation fee from \$5.00 to \$10.00

### Future Projects:

- Continue to help the Liserra's when necessary and feasible. It's nice to work as a team
- Install our Quagga Mussel sign for self-inspection and get Greenhorn staff implementing and supporting our self-inspection program
