POLICY MANUAL

POLICY TITLE: Procurement
POLICY NUMBER: 3080

- 3080.1 Purpose:** In accordance with California Water Code, the District has authority to procure the necessary goods and services to operate. The purpose of Policy 3080 is to define the types of goods and services purchased by the District, to set forth guidelines for the various types of purchases, and to set forth the dollar levels governing purchase authority of management personnel. All purchases, including contracts for services (construction and non-construction), commodities, equipment and other real or personal property required by any department of the District shall be made in accordance with this policy. A purchase, via any means, may be initiated only if sufficient funds are appropriated and there is sufficient unencumbered remaining balance to pay for it.
- 3080.2 Administrator:** The Board of Directors delegates the authority to make purchases under this policy to the General Manager. The General Manager shall have the authority to delegate the purchasing duties and responsibilities within a department of the District to the responsible Department Manager. The designated Manager shall administer the Purchasing Procedure adopted by the Board, negotiate and approve term contracts and purchase products and services required, consistent with the principles of price, quality and delivery. The Manager shall work with the Purchasing Department to maintain verifiable records of the goods in inventory, and to ensure all goods are tagged or conspicuous as District property to the extent feasible. All surplus property shall be disposed of in accordance with section 3080.5.
- 3080.3 Definitions:** For the purpose of this policy, the following definitions shall apply:
- A. "Public Entity" means the state, county, city, city and county, district, public authority, public agency, municipal corporation, or any other political subdivision or public corporation in the state of California.
 - B. "Goods" means any tangible commodities or item such as supplies, parts, materials, equipment, or building. Generally, Goods are consumable in District operations, and can become part of a component of the District equipment or facilities. On some occasions, Goods may be purchased to supply to a contractor engaged in work for the District. For the purpose of this policy, Land and interest in land are not "Goods" and are controlled in other District policies.
 - C. "Services" means all non-tangible skills that may be purchased by the District and can include the services of a licensed contractor, special counsel, architect, appraiser, engineer, financial consultant, janitor, landscaper, painter or other work typically rendered by an independent consultant or contractor.
 - D. "Contract" means any agreement to do or not to do a certain thing or to provide Goods. "Contract and agreement" are synonymous. The term "Contract" includes, among other things, a purchase order, a contract for services, a professional service agreement, and an addendum or change order. Purchases by Staff shall use standard contracts approved by the General Manager and/or Legal Counsel. Special

contracts shall be used when the Goods or Services are of a unique or specialized nature that is not compatible with a standard form of Contract.

- E. "Change Order" means any change to an approved and executed contract. A change order can edit or add task orders. When determining authority levels, the original contract and subsequent change orders are evaluated as a single purchase.
- F. "Task Order" means a listing of task under scope of work under a Contract.
- G. "Cost" means the amount charged under a Contract, inclusive of sales tax, use tax, delivery charges, shipping and/or handling.
- H. "Emergency" means a sudden, unexpected occurrence that poses a clear and imminent danger requiring immediate action to prevent or mitigate the loss of impairment of life, health, property, or essential public services.
- I. "Public Works" is synonymous with "Public Project" and means a project performed under a "Public Works Contract" defined as an agreement for the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind.
- J. "Sole Source" means manipulating "bid" specifications for the contracting of construction, alteration or repair of public works that limit the bidding, directly or indirectly, to a specific concern, or call for a designated material, product, thing, or service by specific brand or trade name. For the purpose of this policy, sole source shall not be applied to the purchase of goods that will be used by the District's own labor force.

It is the intent of this Policy that Sole Source purchases by the District will not occur without allowance for substitution of an "or equal" part or service. Notwithstanding the foregoing prohibition, Sole Source purchases will be allowed provided the District makes a finding that a particular material, product, thing, or service is designated by specific brand or trade name for any of the following purposes:

- 1) In order that a field-test or experiment may be made to determine the product's suitability for future use.
 - 2) In order to match other products in use on a particular public improvement either completed or in the course of completion
 - 3) In order to obtain a necessary item that is only available from one source
 - 4) In order to respond to an emergency declared by a local agency
 - 5) In order to respond to an emergency declared by the state, a state agency, or political subdivision of the state
- K. "Surplus Property" means any personal property, owned by the District that is determined no longer useful.

 - M. "Design/Build" means Contract awarded under a selection process similar to the Request for Proposal, where the contractor is responsible for both design and construction of the Public Work.

- N. "Request for Proposal (RFP)" means a selection process, other than formal bidding, established by the District staff for the selection of consultants, contractors or vendors to provide costs to perform a single project or purchase. The selection process shall include cost for work as one of the evaluation criteria but shall not be constrained by the requirements of the Public Contract Code (PCC) governing bidding.
- O. "Request for Bid (RFB)" means a more formal selection process as further described under PCC, the Local Agency Public Construction Act
- P. "Informal Quote Process (IQP)" means a selection process that includes a documented attempt to procure goods or services to a minimum of three contractors, consultants or vendors to provide total costs on a single project or purchase.
- Q. "Formal Quote Process (FQP)" means the written solicitation using the District's standard quote contract, plans, and specifications distributed to a minimum of five contractors, consultants or vendors to provide costs on a single project or purchase. Formal quotes are provided in a sealed envelope and are opened at a publicly noticed time and place by District staff.
- R. "A quote or bid" as outlined in the contract documents or equivalent to a letter, email, or documented verbal solicitation to a viable contractor, consultant or vendor with or without a response from the contractor or consultant.
- S. "Responsible Bidder" means a licensed contractor who has not been barred from government contracts for prior misconduct, and has the equipment and skills necessary to perform the work. Also, the bid must be an unconditional offer to provide the goods and services and comply with all the bid procedures in the bid documents and when applicable in the Local Agency Public Construction Act.
